The East County Lions is one of the premier youth football and cheer organizations in Northern California. We are a thriving program that hosts over 300 participants and thousands of spectators primarily from Brentwood, Discovery Bay, Oakley, and Anitoch. Our organization prides itself on not only teaching youth the sports of football and cheer, but also teaching a sense of teamwork, to build self-esteem, build personal growth and development, and teach responsibility.

We are very lucky to have the opportunity to give our local youth these experiences and we couldn't do it without sponsors like you. Your contributions help ensure that our athletes have safe and up-to-date equipment and help fund our overall operations so that every child has the opportunity to be a Lion. We hope your company can contribute and give back to the youth in your community.

For more information or to arrange sponsorship please contact: [ecyfpres@gmail.com](mailto:ecyfpres@gmail.com)
