SOCIAL MEDIA POLICY AGREEMENT

All ECYF Members shall abide by the following guidelines when using social media:

1. Be positive and respectful and always take the high road. When disagreeing with others' opinions, remain appropriate and polite. If you find yourself in a situation online that is becoming antagonistic, ask the ECYF Board of Directors or your sport coordinator for advice on how to disengage from the dialogue in a polite and respectful manner that reflects well on ECYF .
2. Do not post content that would harm ECYF or damage ECYF's reputation. Remember that even while you are on your own personal time, you are a representative of ECYF, and people may interpret your online postings or social interactions as though they were official ECYF statements.
3. Use good judgment when posting comments on any official ECYF sites. Bear in mind that your comments can create liability for ECYF. If you are unsure whether a comment is appropriate to post, either do not post it or obtain prior approval from the Board of Directors.
4. Be smart about what you publish. Once something is posted, it exists online forever. Ask yourself, "would I want to see this published in the newspaper or posted on a billboard tomorrow or ten years from now?" If the answer is "no," do not post.
5. Encourage others to engage in positive interactions on social media. If you are concerned about any ECYF Member's use of social media, please bring your concerns to the attention of your sport coordinator or a member of the ECYF Board of Directors.
6. Personally identifiable information (information, such as a name and date of birth and/or a street address which, when taken together, can identify a particular individual) should not be disclosed in any manner on official ECYF social networking sites without the approval of the sport coordinator or ECYF Board of Directors.

Violations of the Social Media Policy

The East County Lions Youth Football & Cheer Board of Directors shall have the authority to monitor and enforce this social media policy.
